### Alleged Safety or Health Hazards

Hazard Severity	CSHO Assigned	Due Date	Number of Days
Serious	J2313	7/29/2014	15

### Hazard and Location Description

Throughout the hospital there are emergency boxes that call for assistance when an employee hits their pendant.

1. However, there are certain buildings that have no safety devices or a way to call for help even though patients are in these buildings.
2. Staff have no way to call for assistance in certain areas of the hospital.
